Emergent Arabic Readers is the first in a set of workbooks and corresponding storybooks. The Emergent Arabic Readers - Color workbook focuses on teaching children how to read and write the some basic Arabic Colors. This series introduces beginning readers to essential skills including sound symbol relationships, phonemic awareness, and fluency. Emergent Arabic Readers also includes a corresponding comprehension series which reinforces early comprehension skills. The entire series can easily be incorporated into almost any early reading program.

Zoghbia, Nasrin

Arabic Prewriting Workbook: A step-by-step guide for children to learn to write the Arabic Alphabet / Nasrin Zoghbia
