Syllabus Breakdown	53

Guidelines for teaching the practical syllabus

While it is obvious that it is extremely important to know the theory of wudhu, Salaah, etc., the purpose of the theory is to enable one to correctly fulfil the actions. Thus if a child knows the Masaail of wudhu, Salaah, etc. very well but if he cannot practically perform these actions correctly, the main object of teaching the masaail has not been achieved. It is therefore imperative that the children are taught **PRACTICALLY** how to implement the theory they have learnt. The following must be kept in mind when teaching the practicals.

1. Every child must take turns to practically perform wudhu, tayammum Salaah, etc. according to the details in the syllabus breakdown.
2. Those makaatib, which are in the schools and no appropriate facilities are available, wudhu must be demonstrated practically outside on the field. The child performing the wudhu may be seated on a chair and somebody may pour the water for him from a jug or bottle.
3. For tayammum, bring a brick or sand in a flat container or a box and allow the children to take turns to practically perform the tayammum in class.
4. Salaah should be performed by each child in the class.
5. While one child is demonstrating any action, all others in the class must be made to stand around and observe. Teachers should pay attention to errors and correct them immediately.
6. Emphasis should be on the practical aspect and not theory. Children are not expected to know the points off by heart. They should rather be made to demonstrate the relevant aspects in detail.
7. The practicals of girls and boys from grade 5 upwards must be done separately.
8. The 'Pupils Annual Progress card' should be filled in as each aspect is completed.

Virtues of visiting the Qabrustaan

Rasulullah has said, "Visit the graves, for surely visiting the graves lessens worldly love and reminds you of the Hereafter"

Rasulullah has said, "Whoever will visit his parent's grave every Friday, will be granted Maghfirat (forgiveness) and he will be recorded as an obedient son."

Rasulullah has said, "One who accompanies the Janaazah of a Muslim with sincerity and the intention of Thawaab, and remains with it until the Salaah is performed and the deceased is buried, will return home with two qeeraat of Thawaab. One qeeraat is equal to Mount Uhud. A person who only performs the Janaazah Salaah and returns, will return with one qeeraat of Thawaab."

What to read when entering the Qabrustaan

Rasulullah taught the Sahaabah ﷺ the following words when entering the Qabrustaan:

السَّلَامُ عَلَيْكُمْ أَهْلَ الدِّيَارِ مِنَ الْمُؤْمِنِينَ وَالْمُسْلِمِينَ وَإِنَّا إِن شَاءَ اللَّهُ بِكُمْ
لَاحِقُونَ نَسْئَلُ اللَّهَ لَنَا وَلَكُمْ الْعَاقِبَةَ

What to recite when in the Qabrustaan

There are many supplications that may be read at the graveside, the best being the recitation of the Holy Qur'aan. Stand facing the grave (back to the Qiblah), recite as much Qur'aan as possible and make dua for the forgiveness of the deceased. The following may also be recited as related in the Hadith;

- Recite Surah Ikhlaas eleven times. It is reported in the Hadith that whoever visits the Qabrustaan, recites Surah Ikhlaas eleven times and makes dua for the dead, will be rewarded as many fold as the number of dead in the Qabrustaan.
- Recite Surah Faatiha, Surah Ikhlaas and Surah Takaathur. It is reported that whoever reads these three Surahs and makes dua for the dead, the people of the graves will make dua to Allah ﷻ to forgive such a person.
- Recite Surah Yaaseen. It is reported in the Hadith that if anyone reads Surah Yaaseen in the Qabrustaan, the punishment of the dead will be eased and the reader will be rewarded just as much as the dead.

In this manner the Sahaabah of Rasulullah visited the Qabrustaan. The words in the Hadith indicate only duas for the dead and remembering death.

Note: It is neither permissible for women to follow the Janaazah nor to visit the Qabrustaan.
